

src/glthread.c

```
graph TD; A[src/glthread.c] --> B[stdlib.h]; A --> C[glthread.h];
```

A diagram illustrating the dependencies of the file `src/glthread.c`. The file `src/glthread.c` is shown in a grey box at the top. Two blue arrows point from it to two white boxes below: `stdlib.h` on the left and `glthread.h` on the right. The `stdlib.h` box has a thin grey border, while the `glthread.h` box has a thick black border.

stdlib.h

glthread.h
