

datatype_size_lookup.h

```
graph TD; A[datatype_size_lookup.h] --> B[stdio.h]; A --> C[string.h];
```

A diagram showing a header file, `datatype_size_lookup.h`, at the top. Two blue arrows point downwards from its bottom edge to two other header files, `stdio.h` and `string.h`, which are positioned below it on the left and right respectively. The top box is dark gray, while the bottom two are light gray.

stdio.h
